

Do it Now

54

We need to wake up, we need to wise up,
we need to open our eyes and do it now, now, now,
we need to build
a better future
and we need to start right now

We're on a planet, that has a problem
we've got to solve it, get involved
and do it now, now, now,
we need to build
a better future
and we need to start right now

Make it greener (Make it greener)
make it cleaner (make it cleaner)
make it last, make it fast
and do it now, now, now,
we need to build
a better future
and we need to start right now.

No point in waiting, or hesitating,
we must get wise,
take no more lies
and do it now, now, now,
we need to build
a better future
and we need to start right now

We're on a planet, that has a problem
we've got to solve it, get involved
and do it now, now, now,
we need to build
a better future
and we need to start right now

Make it greener (Make it greener)
make it cleaner (make it cleaner)
make it last, make it fast
and do it now, now, now,
we need to build
a better future
and we need to start right now.

we need to build
a better future
and we need to start right now.
